We're in the Middle of the Blitz!!

To Recap: We've selected **TWENTY-FIVE** mystery storefront shifts, booked by Trail's End across 47 locations around the council, taking place over the first two weekends of October. When one or more of your Scouts work one of those shifts and they record a minimum of \$200 in sales, your unit will win a \$100 Scout Shop gift card!!

IMPORTANT CLARIFICATION

The \$200 minimum applies to an **entire Trail's End reserved storefront shift**... not the individual shifts that you may create within that block of time.

For example: Trail's End may have reserved a storefront shift from 1 - 5 pm at a given location. You may break that down into four one-hour shifts for your unit, *but the \$200 minimum applies ACROSS ALL FOUR HOURS of the original Trail's End-booked shift, NOT \$200 PER HOUR.*

WE'VE GOT WINNERS!!

In the first weekend, we had five winning units!!

Troop 918	Casey's in Normal (Beech Street) - \$499
Troop 920	Blain's Farm & Fleet in Ottawa - \$670
Pack 3058	Casey's in Farmington - \$594
Pack 3165	Nena Ace Hardware in Germantown Hills - \$626
Pack 3352	Casey's in Canton - \$400

Congratulations to all! We'll be contacting the kernels of each of these units following the Blitz to make arrangements for their gift cards.

MORE MYSTERY SHIFTS!!

We're adding MORE SHIFTS for the second weekend so we can have MORE WINNERS... *So keep picking up storefront shifts and let the BLITZ continue!!*
