UNIT RENEWAL KICK-OFF 2025

Renewal Reminders

Reminder Video

As a council, we spend too much time managing the Unit Renewal process. This takes YOUR council staff away from important tasks – like growing Scouting. So, this year let's do things a little different. We will provide you with some preparation items, a Roundtable discussion, and then "hit it

hard" the last two weeks of November. It is in your hands!

WHAT'S IN IT FOR ME? We are glad you asked – this year, if we attain 85% of units that are due for renewal completed and paid by midnight December 1st, 2025 (Monday), ALL completed continuing units (even those not due at year's end) will be entered for a random drawing for 3 prizes; Scout Shop gift card worth \$250, 2 New Scouts Uniform Shirt w/patches, 1 New Scouts Uniform Shirt w/patches. (Units can only win one prize – use the uniform to the unit's benefit for recruiting or a deserving scout.) Completed means My.Scouting Unit Renewal is complete & paid and the Annual Charter Agreement signed through unit signatures and turned into your DE or scanned to the email below.

CAN WE DO IT?

This chart shows the marked improvement year after year of the council's units for Recharter and now the **easier process** of Unit Renewal. The target of 85% is attainable.

THINGS TO CHECK NOW!

- 1) Make sure you have leaders in the minimum required roles for your unit type. ([Minimum Leader Link](#))
- 2) Make sure your unit adults are up to date on their SYT (new YPT) and will be through at least January of 2026.
- 3) Set up a payment method in My.Scouting. This is the fastest way to process payments. It may take a few days to synchronize if you do not have electronic access to your banking. (If you did this last year and your banking has not changed, you are ready to go. This is the same payment system used for units paying for members.)

REMINDER – Unit Renewal is separate from Member Renewal. Make sure your minimum adults are renewed, but other members (scouts or adults) do not hold up Unit Renewal.
