

CATHOLIC SCOUTING

is a **GREAT OPPORTUNITY** for
your students and school families

Catholic Scouting
complements the lessons your
school's educators teach in the
classroom, including through:

- A broad range of Religious Activities about Catholic saints, Marian devotion, and other aspects of the faith
- Religious Emblems programs, designed to help young people engage and grow in the Catholic faith
- Projects that help young people learn about the value of volunteering and leadership in service of others

Find out more about why Catholic Scouting is a great opportunity for your students and school families and learn how Catholic Scouting programming complements what your school's educators teach in the classroom.

Catholic Scouting is a USCCB-approved program that builds on the time-honored structure of Boy Scouts of America.

Catholic Scouting welcomes boys and girls starting in kindergarten and features whole family activities.
