

Religious Activities

Catholic Scouting Religious Activities complement what young people are learning about the faith from their parents, in Catholic school and through parish faith formation programs.

Religious Activities provide engaging, age-appropriate ways for young people to learn about Catholic saints, Marian devotion, and other aspects of the Catholic faith.

There are more than 50 Religious Activities available for use by anyone. Catholic Scouting units utilize these activities and Scouts earn patches for each activity they complete.

Religious Activities are organized into seven series and each activity has requirements broken out by age level.
